

**A unique weekend workshop with R J Stewart,
MAY 8th-9th : Santa Cruz,
in a beautiful forest retreat centre in Ben Lomond.
FAERY RITUAL MAGIC**

R. J. Stewart is the author of *The UnderWorld Initiation*, *Earth Light, Power Within the Land*, *The Well of Light* and other books on the faery tradition and Earth magic. R.J. is the leading modern writer and teacher on Earth magic, Faery and UnderWorld spiritual techniques and traditions. His work has been translated worldwide, and has contributed significantly to the revival of interest in Faery and UnderWorld spiritual magic. Two one-day workshops: you can attend both at discount, or one only. See: www.rjstewart.org and www.rjstewart.net.

Day One: *The Magic of Sticks and Cords*. Developed from folkloric traditions of Britain, this method of practical sacramental work is taught only by R.J., and forms part of his ongoing Faery Ritual Magic series from 1980 to the present day. *Bring three matched sticks*, of any size, large or small. *Bring a cord*, length to match your height. If you have done stick and cord work with R.J. before, please bring your existing set. This workshop is open to new people, and includes methods of working with Sticks and Cord together not previously taught.

Day Two: *The Second Sight*. This workshop is based on Scottish and Welsh traditions. The Second Sight often runs in families: R J's Welsh mother and grandmother both had the Sight. It can also be conferred by a special technique. During this workshop R.J. will share traditions and teachings regarding the Sight as it was, and still is, known in Celtic regions and in Scandinavia. There will be a unique Second Sight ritual during which you can opt to have your inner vision enhanced. You may also opt not to have the visionary initiation, but to take the main workshop only.

This second workshop is open to new people, but you must be over 18 to attend.

Discount for new group members! If have attended previous workshops with R.J. and invite a new person to join, you both qualify for a \$20.00 discount. The regular workshop price is \$200 for both days, or \$120 for a single day. To book contact Andrea@deepestmeaning.com.
